## **MEDIA**

**(please allow 72 hours for a response)**

**If you are a member of the Media and would like to schedule an interview, or if you require photographs/video, please contact us by completing the following form and submitting it.**

Thank you for your interest in speaking with Dr. Ingrid N. Visser.

Although she spends much of her time out in the field, she welcomes opportunities to discuss her ground-breaking research on the oceans apex predator, the Orca. Dr. Visser is in great demand and known as an inspirational speaker who loves to share her passion about these magnificent animals.

Her photographs & video of orca have been utilized internationally. The Orca Research Trust does not receive Government or University funding. Therefore a fee, compliant with current commercial rates, is charged for usage.
